Mike is on leave but you and I and Michele can talk. I'm out tomorrow but in all next week.

Sent from my BlackBerry 10 smartphone on the Verizon Wireless 4G LTE network.

That's great – thanks for letting me know. I would like to meet internally with you and Mike to come fully up to speed on the issues. Maybe we can do that next week?

Hi Gretchen, I think Mike M spoke to you about the aquifer exemption issue in CA. John is with DOGGR and is coordinating a meeting of the attorneys. I gave him your contact info, but also asked that he keep me looped in. Thanks, David

David,

During our meeting last week there was interest in having a coordination meeting between the general counsels of each organization and we would like to facilitate this as part of our ongoing efforts to resolve this issue quickly. Can you provide the name and contact info for the EPA attorney you would like to be involved?

Thank you,

John Geroch
